

Our Easter and Easter Monday proposal

For Easter and Easter Monday 2026 we offer our guests a fixed menu at 45 euros, drinks included, designed as a special festive lunch proposal. As usual, our selection of appetizers will be served as a tasting to each guest. Both first courses will be shared generously with the whole table. Each guest can then continue by choosing one main course and one dessert from our menu. With dessert, colomba cake and a glass of sparkling wine will be offered. For further information and reservations, please contact us by phone.
